

## HOW TO SEND GIFTS TO TUKONGOTE COMMUNITY PROJECTS

We are always grateful for resources, supplies and gifts that are donated. Gifts are distributed among the schools we support.

We suggest gifts are sent by courier and recommend DHL as they have a reliable office in Livingstone and a good parcel tracking system. Parcel Monkey [www.parcelmonkey.co.uk](http://www.parcelmonkey.co.uk) in the UK also works well and is good value.

### **Please address couriered parcels to:**

Michael Voack  
Waterberry Zambezi Lodge  
Livingstone  
Zambia

There is no postal code – Use 0001.

Please include the contact details: +260 97 479 4444 and [community@waterberrylodge.com](mailto:community@waterberrylodge.com).

NB: Label all parcels as educational material and gift/donation.

### **Normal Post:**

Parcels sent by normal post can take from 3 weeks to 6 months to arrive, sometimes longer, regardless of what your post office says. There are delays in Lusaka where parcels clear customs.
